

# Yes on I-732 Hiring Canvassers

Carbon Washington ([www.CarbonWA.org](http://www.CarbonWA.org)) is a non-partisan organization participating in grassroots democracy and believes in fostering an environment that cultivates leadership, empowerment, and fun. We are the backers of Initiative 732 ([www.yeson732.org](http://www.yeson732.org)), a first-in-the-country effort to fight climate change and protect the environment. We are hiring a team of part-time field canvassers to supplement our volunteer outreach efforts.

## **Requirements of position**

- Work at least five 4-hour shifts (4–8pm weekdays, or sometime between 10am and 8pm on weekends) per week
- Go door-to-door raising awareness about I-732 and the importance of acting now to slow climate change
- Ability to walk or stand for a few hours at a time
- Ability to reliably show up on time at canvassing locations (regular transportation, i.e. a car, bike, or good transit access)
- Smartphone with access to a data plan that can run our campaign app

## **Desired qualifications**

- Commitment to environmental issues and fighting climate change
- Experience with community outreach, public education, sales, or campaigns desired
- Experience canvassing highly desired!
- Located in Washington State

## **Compensation**

- Pay is \$15 per hour, with a flexible schedule (\$1200 per month base pay)
- Monthly bonus pay equivalent to 25% of amount solicited on doors with a cap of \$500 per month
- There is no fundraising quota or firings for missing quota — we are searching for motivated and talented representatives for our campaign
- There are no benefits, but this is an employee (not a contractor) position

## **TO APPLY**

**SEND A RESUME AND A SHORT COVER LETTER TO:**

**FRANCIS (AT) CARBONWA.ORG (FOR KING OR PIERCE COUNTY) –OR–  
KYLE (AT) CARBONWA.ORG (FOR THE REST OF WASHINGTON STATE)**
